Pear Catering was established in 2007 to supply clients with affordable, good quality corporate catering at competitive prices. We source Victorian products wherever possible; supporting local growers, manufacturers, producers & food artisans.

Our menu packages are designed specifically for corporate application, providing easy, cost effective catering options suitable for boardroom and meeting room service. Our menus change seasonally to capture the best products available. The sound nutritional knowledge of our team allows for menus to be created, catering for any dietary requirements.

Listening to our clients' needs & feedback forms the basis of Pear Catering. We provide motivated, efficient & consistent service to the highest standards, ensuring our clients' needs are not only met, but exceeded.

We take pride in our products & concept, delivering a niche catering experience with impeccable service from industry professionals. Our passion for quality local food provides you with a wide selection of catering options.
